“Keeping New York Safe”

Auburn Correctional Facility Officers Donate to Local Schools

Six Area Schools Receive \$1,000 Donations

For Immediate Release

December 23, 2022

Auburn, NY – NYSCOPBA members from Auburn Correctional Facility visited six area schools yesterday to donate \$1,000 to each school that will be used to buy boots and jackets for students in need as well as provide financial support to the schools’ food pantries.

The NYSCOPBA members were greeted by school staff and students yesterday to celebrate the generous donations. Members of NYSCOPBA’s Western Region annually support many local charities and schools throughout the year, but recognize the need around the holidays is even greater for families and students who are less fortunate.

“I am extremely proud of our members out of Auburn Correctional Facility who spearheaded this drive to support six local community schools and students in need. It is our sincere hope that yesterday’s donations brings a little joy and hope to those less fortunate. Despite the challenges our members face throughout the year inside our correctional facilities, our members throughout the Western Region remain committed to supporting our local charities and schools and the need to give back, especially during the Christmas Holiday.” - Stated Kenny Gold, NYSCOPBA Western Region Vice President.
