

Voluntary Pet Insurance Program

Safeguard your pet's health with comprehensive coverage from accidents to wellness. Depending on coverage, pet insurance doesn't have to break the bank.

NYSCOPBA offers two Pet Insurance Carriers, each offers discounts to NYSCOPBA Members and Retirees. It's easy to enroll and the cost for coverage can be conveniently deducted from your payroll or pension check.

Free quotes are available from each company. Please shop and compare as cost and coverage varies based on the type of pet, breed, age, zip code and plan selected.
