RE: Security Clearance for Contract Ballot Count (2/27/2017)

DATE: January 27, 2017

In order to be allowed access to the AAA to observe the contract ballot count you need to be cleared ahead of time for security purposes.

If you plan on observing the contract ballot count on February 27, 2017 at the AAA in NYC, you must notify the Election Committee no later than February 17, 2017.

Proper identification will be required during the security check to enter the observation area of the election.

If you fail to notify the Election Committee you will not be included on the security clearance listing and will be denied access to the building.

Please note these are the rules and regulations of the AAA and must be adhered to.

If you would like to be added to the security clearance list, please contact Membership Services at 888-484-7279, Extension 261 no later than February 17, 2017.

Please note that all expenses to attend the count are the responsibility of the individual member.

Thank you for your cooperation in this matter.
