

It is the on-going mission of the North Country Cancer Fund to raise money and supply financial assistance to families of Clinton, Essex and Franklin Counties of New York who have a family member touched by CANCER.

Without the support of our generous sponsors, we would not be able to continue helping our community members with their fight. It is because of you, our sponsors, and donors and the people who attend our events; that the North Country Cancer Fund continues to move forward with their mission. We are very dedicated to this cause and feel honored to be a part of this community and to assist those who are in need of a helping hand with expenses incurred due to this dreaded disease.

PLEASE accept our most **heartfelt appreciation** for making it possible for the North Country Cancer Fund to exist. Your generous donation and/or sponsorship of our: **Bowl-A-Thon, held January 15, 2017 at North Bowl Lanes**, is appreciated far beyond what this letter could possibly express and will greatly assist us in continuing our mission. You help make it possible for us to have the funds available to help many families.

From the entire
North Country Cancer Fund
We would like to say
THANK YOU !!!!!

Sincerely,
