To Michael Powers:

I would like to extend my gratitude to the following Veterans Committee members.

Elado Martinez

Mike Mashaw

Paul Lashway

Derek Hale

Anthony Henderson

Matt Filliponi

I am a Vietnam Era Marine Corp Veteran. I feel honored that NYSCOPBA appreciates all of us for who we are and what we have accomplished. Veterans have contributed to the success of this country and the unparalleled treasures we have as a nation.

I commend NYSCOPBA for the outstanding performance that each member contributed to make this trip memorable to all our veterans.

Thank you. God Bless America
