| 14 | PRESIDENT POWERS: | 14 | million. Running back | |

| 19 | PRESIDENT POWERS | 19 | line that you're referring | |

| | 49 | | | 51 |
| | | | | |
| 1 | different budgets you put | 1 | JIM SONKO: I was under | |
| 2 | out. First of all, I'd | 2 | the impression that we all | |
| 3 | like to request that we | 3 | had almost like a two | |
| 4 | all get a copy of the 1.5 | 4 | thousand dollar standing | |
| 5 | million that you said was | 5 | checkbook for the month. | |
| 6 | spent on the meetings. So | 6 | And anything that exceeded | |

DARLENE L. JERGE - Court Stenographer

| 1 | about the documentation | 1 | SIEVE MARASCO: Steve | |
|----|----------------------------|----|----------------------------|----|
| 2 | for all the meetings. You | 2 | Marasco, Shawangunk. Can | |
| 3 | quoted some numbers, | 3 | we defer this to the | |
| 4 | obviously I'm guessing | 4 | finance committee to make | |
| 5 | wrong here, but you said | 5 | some type of policy on how | |
| 6 | seventy thousand, | 6 | much to spend and to curb | |
| 7 | forty-five thousand. | 7 | it? You know what I'm | |
| 8 | TREASURER VIDDIVO: Do | 8 | saying? Because I know | |
| 9 | you want to make a | 9 | there's a lot of jails | |
| 10 | motion I think it kind | 10 | that don't over spend. | |
| 11 | of defeats the purpose of | 11 | Could we make a policy on | |
| 12 | going after one another as | 12 | it then? | |
| 13 | to who is spending what. | 13 | TREASURER VIDDIVO: The | |
| 14 | If this body wants a copy | 14 | current procedure manual | |
| 15 | of it, obviously I will | 15 | spells out meeting | |
| 16 | give it to you. | 16 | expense. There's no | |
| 17 | But the purpose of me | 17 | finite number on it. It's | |
| 18 | doing the six monthly | 18 | very difficult to do that | |
| 19 | meetings is to have a | 19 | because it's all | |
| 20 | conversation to wake some | 20 | speculation on how many | |
| 20 | people up. I keep coming | 20 | people are going to come | |
| 22 | to this mic every two | 21 | to the meeting, how many | |
| 22 | months telling people to | 22 | meetings you have. Some | |
| 23 | be reasonable on their | 23 | facilities have monthly | |
| 24 | | 24 | factificies have monthly | |
| | 53 | | | 55 |
| 1 | sector spending. So I put | 1 | meetings; some don't. | |
| 2 | six meetings in there to | 2 | The finance committee | |
| 3 | kind of wake everybody up | 3 | met for this budget and | |
| 4 | to reduce that spending. | 4 | we had a long discussion | |
| 5 | So, to get out those | 5 | on these meetings. That's | |
| 6 | numbers now and start, you | 6 | where we came up with the | |
| 7 | know, you spent | 7 | six meetings. | |
| 8 | forty-five, you spent | 8 | STEVE MARASCO: All | |
| 9 | seventy, I don't know what | 9 | right. I know we said | |
| 10 | purpose that holds. I | 10 | maybe we should define | |
| 11 | think it would be more | 11 | refreshments. Is it just | |
| 12 | JIMMY MILLER: You were | 12 | pizza and soda. | |
| 13 | just trying to wake | 13 | TREASURER VIDDIVO: | |
| 14 | everybody up, I guess I | 14 | Okay. So, do you want the | |
| 15 | woke up. I want my twelve | 15 | finance committee to put | |
| 16 | meetings for under twelve | 16 | in the wording in the | |
| 10 | grand and you want to cut | 17 | policy that you can only | |
| 18 | it back. | 18 | have pizza? Is that what | |
| 10 | TREASURER VIDDIVO: You | 10 | you're looking for? | |
| 20 | guys did great. So, I can | 20 | STEVE MARASCO: No, I'm | |
| | give you those numbers, | 20 | not looking for that. | |
| 21 | like I said, that's not a | | TREASURER VIDDIVO: I | |
| 22 | | 22 | | |
| 23 | problem if this body | 23 | don't understand how we | |
| 24 | desires. | 24 | have to define | |
| | 54 | I | | 56 |

| 1 | refreshments because we're | 1 | the problem is. I mean, I | |
|----|---|----|----------------------------|----|
| 2 | all adults, you're chiefs, | 2 | can make it for two | |
| 3 | you're supposed to be | 3 | dollars a man, I already | |
| 4 | fiduciary responsible; | 4 | wrote it. But the fact | |
| 5 | I'll say it again, like I | 5 | is, if somebody is | |
| 6 | do every two months. Jim? | 6 | spending five thousand a | |
| 7 | JIM SONKO: Well, | 7 | meeting for forty-two | |
| 8 | people on that microphone | 8 | members in a bar, why | |
| 9 | were complaining about | 9 | should I make a motion for | |
| 10 | what refreshments were. | 10 | the guy spending a | |
| 11 | So, when somebody says it | 11 | thousand for fifty people | |
| 12 | from down here, I don't | 12 | and shuffling the extra | |
| 13 | see what the problem is. | 13 | back into their jail | |
| 14 | You said you're not | 14 | that's on duty. | |
| 15 | supposed to be buying | 15 | I mean, there's a | |
| 16 | lobster tails | 16 | difference between an open | |
| 17 | TREASURER VIDDIVO: | 17 | bar and having a case or | |
| | | | two of beer at the end of | |
| 18 | It's common sense, that's | 18 | | |
| 19 | what I'm saying. | 19 | the meeting that gets | |

| | 57 | | | 59 |
| 1 | tails | 1 | going on. | |
| 2 | TREASURER VIDDIVO: | 2 | TREASURER VIDDIVO: I | |

| 7 | JIM SONKO: You know | 7 | read them. | |
| | | | | |
| 8 | what, you brought up the conversation and we're | 8 | JIM SONKO: Well, we | |
| 9 | | 9 | don't see other people's | |
| 10 | trying to read into it and | 10 | meeting minutes. You came | |
| 11 | get some information and | 11 | up here quoting numbers; | |
| 12 | now you're playing the | 12 | seventy, forty-five, | |
| 13 | other side. | 13 | forty-three, twenty-three, | |
| 14 | TREASURER VIDDIVO: But | 14 | twenty-five, and we're all | |
| 15 | give me the solution, give | 15 | like, what are you talking | |
| 16 | me what you want to do. | 16 | about. And now we're | |

| 22 | JIM SONKO: You know | 22 | Jimmy. Mike, go ahead. | |
| 23 | what, before we make a | 23 | PRESIDENT POWERS: | |
| 24 | motion, we should see what | 24 | Powers President. The | |
| | 58 | | | 60 |
| | | | | |

| 1 | whole reason we've been | 1 | for a copy. We're in the | |
|----|----------------------------|-------|----------------------------|----|
| 2 | talking about this for | 2 | 20 dollar range. I | |
| 3 | some time, let's get down | 3 | understand we spend a lot | |
| 4 | to brass tactics here. | 4 | of money but we have the | |
| 5 | You're the governing body. | 5 | members that turn out for | |
| 6 | We've been addressing this | 6 | it. We have never held a | |
| 7 | for some time; we've | 7 | meeting at a bar. We have | |
| 8 | talked about it. We came | 8 | never had lobster tails or | |
| 9 | to you with some issues | 9 | steak or anything like | |
| 10 | and with some suggestions. | 10 | that. And what we do have | |
| 11 | And now we're asking | 11 | leftover does go down back | |
| 12 | for your feedback. This | 12 | for the men and women that | |
| 13 | isn't a one-on-one. This | 13 | are working. | |
| 14 | shouldn't be going back | 14 | So Mike is correct, | |
| 15 | and forth; this should be | 15 | it's about solving | |
| 16 | problem solving at its | 16 | problems. Over the last | |
| 17 | best at the end of the | 17 | couple months, David, you | |
| 18 | day. | 18 | have come to me about our | |
| 19 | We're in new business. | 19 | expenditures and we've cut | |
| 20 | Is there new business? | 20 | them back. If there are a | |
| 21 | This is where we're at and | 21 | handful of us that seem to | |
| 22 | this it what we need. | 22 | spend a lot of money, by | |
| 23 | We're seeking your input. | 23 | all means, then you come | |
| 24 | Not back and forth. Jim's | 24 | to the chief steward and | |
| | 61 | | | 63 |
| | | | | |
| 1 | got good points; we all | 1 | we start cutting back to | |
| 2 | have good points. We need | 2 | what we believe is a | |
| 3 | to resolve this problem. | 3 | liveable solution for all | |
| 4 | DAVE LUTHER: Thank | 4 | involved. | |
| 5 | you, David. Thanks, Mike. | 5 | I do not agree with the | |
| 6 | I know that I have a | 6 | six meetings a year, you | |
| 7 | propensity in my jail to | 7 | know that. I believe that | |
| 8 | spend a lot of money. | 8 | we have to put our | |
| 9 | However, we're not getting | 9 | information out and it's a | |
| 10 | forty or fifty people at a | 10 | good way for our officers | |
| 11 | meeting. You see my | 11 | to put their problems on | |
| 12 | sign-in sheets, anywhere | 12 | the table so they can be | |
| 13 | from a hundred and forty | 13 | handled in an orderly | |
| 14 | to over 200 members attend | 14 | fashion and in a not so | |
| 15 | our meetings every month; | 15 | hostile fashion, where | |
| 16 | along with that comes a | 16 | they're blowing up with | |
| 17 | cost. | 17 | administration. And we | |
| 18 | If you set a price, | 18 | have a tendency to stay on | |
| 19 | keep in mind you better | 19 | top of what is going on in | |
| 20 | take demographics. I can | 20 | our jail. | |
| 21 | not go uptown and buy ten | 21 | So I need my meetings. | |
| 22 | dollar pizzas in | 22 | I hold four general | |
| 23 | Westchester County. 18, | 23 | membership meetings a | |
| 24 | 19 and 20 and don't ask | 24 | month. One for every | |

| | shift. So, we put we | 1 | enough. | |
| 2 | provide for those people | 2 | And especially with all | |
| 3 | that show up. The | 3 | the upcoming things we | |
| 4 | governing body here wants | 4 | have going on with the | |
| 5 | to a figure, I tell them | 5 | Janus versus AFSCME, the | |
| 6 | to do so. We don't want | 6 | possible budget | |
| 7 | to be penny wise and pound | 7 | restraints, now is the | |
| 8 | foolish. However, we want | 8 | time to really look at | |
| 9 | to take into account that | 9 | what we're doing. As | |
| 10 | maybe as my brother says, | 10 | opposed to Jim asking for | |
| 11 | we speak to the | 11 | the numbers from each | |
| 12 | individuals first in the | 12 | facility, I don't think it | |
| 13 | jails that have problems. | 13 | was really going to turn | |
| 14 | If by then it does not | 14 | into a, hey, what the hell | |
| 15 | come into line, then I | 15 | are they doing. Because | |
| 15 | think we should at that | 16 | when you see who is doing | |
| 10 | time maybe set a limit. | 17 | what and you have a | |
| | But I would give the | | rapport with said | |
| 18 | facilities that they | 18 | individual, you can go up | |
| 19 | believe are problem areas | 19 | | |
| 20 | - | 20 | to them later on, hey, so | |
| 21 | an opportunity to fix | 21 | and so, come on, what's | |
| 22 | themselves. | 22 | going on. | |
| 23 | AL ZAPPALA: Al | 23 | When you look at | |
| 24 | Zappala, Shawangunk. I | 24 | somebody in the eye, they | |
| | 65 | | 6 | 57 |
| 1 | know we're supposed to be | 1 | start feeling guilty about | |
| 2 | on new business, but I | 2 | what they did. When we | |
| 3 | think what really this | 3 | don't show the | |
| 4 | comes down to and the | 4 | transparency, everybody | |
| 5 | reason that Jim wanted | 5 | continues doing what they | |
| 6 | to know the number is | 6 | do. But when it's out in | |
| 7 | because yesterday when | 7 | the open, you start to | |
| 8 | we were made aware of | 8 | realize it yourself and I | |
| 9 | this, what we don't want | 9 | think that's one of the | |
| 10 | to see happen is those | 10 | reasons, too, that Jim | |
| 10 | that were doing the budget | 11 | wanted those numbers. | |
| 12 | for their meetings the | 12 | TREASURER VIDDIVO: I | |
| 13 | right way are now hearing, | 13 | gave you the numbers, I | |
| 14 | whoa, I might not have | 14 | just didn't tie a facility | |
| 15 | been spending enough. | 15 | to it. You have the | |
| 15 | What we don't want to | 16 | numbers. | |
| 10 | happen is the reverse. We | 17 | KENNY GOLD: Kenny | |
| | don't want because this | | - | |
| 18 | | 18 | Gold, Orleans. A lot of | |
| 19 | information came to light, | 19 | things I was going to say, | |
| 20 | we don't want the other | 20 | Dave Luther said, and my | |
| 21 | facilities turning around | 21 | buddy from Shawangunk just | |
| 22 | and spending more because, | 22 | said. Maybe I'm not | |
| 0.2 | well, if they're doing it, | 23 | understanding this, but | |
| 23 | T manger T more 1 - Jaimer 1 | | that ma | |
| 23 24 | I guess I wasn't doing it 66 | 24 | that was your preliminary | 58 |

| 1 | budget, correct? What | 1 | is a proposed budget that | |
|----|------------------------------|----------------|--|----|
| 2 | you're looking for, the | 2 | has to be out by October | |
| 3 | committee came up with | 3 | lst. Obviously at the | |
| 4 | those | 4 | December EA, we will vote | |
| 5 | TREASURER VIDDIVO: | 5 | on the budget, we'll amend | |
| б | Correct, that's a draft | б | budget; obviously we're | |
| 7 | budget. | 7 | going to amend the | |
| 8 | KENNY GOLD: And also | 8 | meetings. And obviously | |
| 9 | the body here is saying, | 9 | the finance committee is | |
| 10 | most people and hearing | 10 | going to give us a | |
| 11 | most people after the | 11 | breakdown of their | |
| 12 | meeting this morning, | 12 | proposals. | |
| 13 | nobody is happy about what | 13 | I would ask that the | |
| 14 | that said. Is it not | 14 | finance the previous | |
| 15 | correct that we as the | 15 | finance committee, break | |
| 16 | body here can tell you | 16 | down those proposals and | |
| 17 | that we want to have all | 17 | send them out to the | |
| 18 | our meetings? | 18 | chiefs, so they can take | |
| 19 | TREASURER VIDDIVO: | 19 | it back to their sectors. | |
| 20 | Absolutely. | 20 | The new finance committee, | |
| 21 | KENNY GOLD: And | 21 | obviously they can look at | |
| 22 | dictate to you guys that | 22 | that and make further | |
| 23 | you guys talk to the | 23 | recommendations for | |
| 24 | individuals. | 24 | December. | |
| | 69 | | | 71 |
| | | | | |
| 1 | TREASURER VIDDIVO: | 1 | But, again, this is a | |
| 2 | That's correct. | 2 | proposed budget, if we | |
| 3 | KENNY GOLD: So then | 3 | want to change line items. | |
| 4 | why are we doing this? | 4 | And as Mike said, if | |
| 5 | That's what we want | 5 | you're going to add money | |
| 6 | TREASURER VIDDIVO: | 6 | to sector operations, | |
| 7 | Because you haven't made a | 7 | you're going to take it | |
| 8 | motion to do so. | 8 | from some place else; | |
| 9 | KENNY GOLD: Then let's | 9 | they're going to find | |
| 10 | make one. | 10 | money some place else. | |
| 11 | TREASURER VIDDIVO: Go | 11 | TREASURER VIDDIVO: | |
| 12 | right ahead. | 12 | It's 250 thousand dollars. | |
| 13 | MR. ROWE: Rowe, Hale | 13 | MR. ROWE: But, again, | |
| 14 | Creek. First of all, | 14 | that would be amended in | |
| 15 | what's the 622, how many | 15 | December. This is a | |
| 16 | months was that? | 16 | proposed budget and we | |
| 17 | TREASURER VIDDIVO: | 17 | have to address it. But I | |
| 18 | That's a running twelve | 18 | do believe that the | |
| 10 | months going back. | 19 | finance committee's report | |
| 20 | MR. ROWE: Okay. It's | 20 | with the recommendations | |
| 20 | the past twelve months. | 20 | should be sent out to the | |
| 21 | TREASURER VIDDIVO: | 21 | chiefs. | |
| 22 | Correct. | 23 | TREASURER VIDDIVO: | |
| 23 | MR. ROWE: Again, this | 23 | Point taken. Anything | |

| 22 23 | because it's going to have | 22 | collected. | |
| 21 | members and talk about it | | dues had to be hand | |
| 20 21 | take it back to your | 20 | check-off crisis where the | |
| 19 20 | about it. And you need to | 20 | 1986, which was a dues | |
| 18 | real and you need to know | 18 | a bargaining unit since | |
| 18 | AFSCME is serious, it's | 18 | been a threat like this to | |
| 10 | huge impact. Janus versus | 10 | There probably hasn't | |
| 15 | just discussed that has a | 15 | threat. | |
| 15 | that are coming up that we | 15 | seen. It's an existential | |
| 13 | with some of the topics | 13 | that NYSCOPBA has ever | |
| 12 | but it's vitally important | 12 | probably, not probably, | |
| 12 | hearing it from me again, | | threat to the union that | |
| 10 | This may be redundant | 10 | going to be the biggest | |
| 10 | chime in. | 10 | free to ask. This is | |
| 9 | has anything he wants to | 9 | any questions at all, feel | |
| 8 | it today as well, if Al | 8 | slow here. If you have | |
| 7 | I see Al Mothershed made | 7 | I'm going to go kind of | |

| 5 | bring up our Grievance | 5 | states, which are | |

| 2 | PRESIDENT POWERS: Any | 2 | it's a map of right to | |
| 1 | else? | 1 | handouts for the chiefs, | |

| 1 | be the Supreme Court is | 1 | corrections unions, they |
|----|----------------------------|----|----------------------------|
| 2 | going to decide whether | 2 | do better. But, you know, |
| 3 | they're going pick it up, | 3 | my research indicates |
| 4 | I believe, and probably | 4 | you're still down about |
| 5 | Erin knows this more than | 5 | twenty percent of your |
| 6 | I do, sometime I think in | 6 | income. |
| 7 | the Fall, and they will | 7 | Now, to us, and Dave |
| 8 | pick it up, by the way. | 8 | knows the numbers better |
| 9 | Because the previous | 9 | than I do, I think that |
| 10 | anti-union lawsuit was | 10 | pretty much translates |
| 11 | Friedrichs' versus | 11 | into maybe two to three |
| 12 | California, it was the | 12 | million dollars, something |
| 13 | same exact thing. | 13 | like that. Can you |
| 14 | If not for the death of | 14 | imagine doing a budget |
| 15 | Antonin Scalia, we would | 15 | next year, you're short |
| 16 | have this crisis right | 16 | three million dollars? |
| 17 | now. Essentially what | 17 | There's things you got |
| 18 | this crisis is there's | 18 | to do by law as a union. |
| 19 | money interests out there | 19 | You have to negotiate a |
| 20 | that want to make all | 20 | contract for the members. |
| 21 | public sector employee | 21 | You have to enforce the |
| 22 | unions right to work. | 22 | contract for the members. |
| 23 | Right to work means | 23 | You have to litigate |
| 24 | that basically if you're a | 24 | improper practice charges |
| | 77 | | 79 |
| | | | |
| 1 | non-member, you don't have | 1 | in PERB. You have to |
| 2 | to pay anything. No | 2 | litigate lawsuits for the |
| 3 | rebate, you know, if | 3 | members. Everything else, |
| 4 | you're a non-member, you | 4 | pretty much, is |
| 5 | don't pay a dime; not one | 5 | discretionary spending, |
| 6 | cent. Which means you're | 6 | you don't have to do it. |
| 7 | going to lose income. | 7 | You don't have to do |
| 8 | I would love next year | 8 | scholarships. You don't |
| 9 | at this time if we have a | 9 | have to do sponsorships. |
| 10 | debate about what we're | 10 | You don't have to do |
| 11 | spending on refreshments | 11 | any of that. It's |
| 12 | at local meetings. | 12 | discretionary. We do it |
| 13 | Because guess what? We're | 13 | more than any other union |
| 14 | going to have meetings on | 14 | I have ever seen. We're |
| 15 | how are we going to pay | 15 | very generous. We're |
| 16 | the Piper; we might not | 16 | almost like a Scandinavian |
| 17 | have enough income. | 17 | social program kind of |
| 18 | The teachers unions in | 18 | thing. Very, very |
| 19 | this state right now are | 19 | generous. |
| 20 | projecting a twenty to | 20 | California takes in |
| 21 | forty percent loss of | 21 | correction officers takes |
| 22 | income. Now, statewide | 22 | in twice the income, their |
| 23 | I'm sorry, nationwide, the | 23 | dues are double, and they |
| 24 | law enforcement, i.e. | 24 | gave out half the |
| | 78 | | 80 |
| | - | | |

| 1 | scholarships. That's just | 1 | the only union for the |
|----|----------------------------|----|----------------------------|
| 2 | the way it is. Next year | 2 | security services unit, |
| 3 | at this time you're | 3 | and a member could decide |
| 4 | probably going to be | 4 | to opt out. They could |
| 5 | looking at cutting some of | 5 | out if. He opts out; he |
| 6 | those things. | 6 | is not represented by |
| 7 | Like I said, you're | 7 | anyone. |
| 8 | going to wish you're | 8 | Essentially he would be |
| 9 | arguing over refreshments. | 9 | treated like management. |
| 10 | I don't know if everyone | 10 | We wouldn't have to pay |
| 11 | has got this now. But | 11 | for any representation, he |
| 12 | if you look at it, the | 12 | would not be entitled to |
| 13 | right to work states which | 13 | the contract, any benefits |
| 14 | there's twenty-eight of | 14 | under the contract; he |
| 15 | them now and they keep | 15 | would be on his own. I |
| 16 | increasing. The right to | 16 | suppose if the state |
| 17 | work states are in red and | 17 | wanted to, they could |
| 18 | I call the union states | 18 | negotiate with these |
| 19 | are in gray. | 19 | people individually. |
| 20 | And as you can see the | 20 | New York State, you |
| 20 | average salary in the | 20 | know that's not going to |
| 22 | union states which are | 22 | happen. They're going |
| 22 | non-right to work states | 22 | to say, we're going to |
| 23 | are significantly higher | 23 | treat you like MC, you |
| 24 | | 24 | |
| | 81 | | 83 |
| 1 | than they are in right to | 1 | take what you get. In my |
| 2 | work states, to the tune | 2 | opinion, this would take a |
| 3 | of almost seventeen | 3 | legislative fix. |
| 4 | thousand dollars, I | 4 | And I talked to the |
| 5 | believe, a year. | 5 | lawyers about it, I talked |
| 5 | That's what a non-right | 6 | to the Board about it. |
| 7 | to work union can pull out | 7 | And I believe if we could |
| 8 | superior wages obviously | 8 | get that legislation, |
| 9 | in right to work. And | 9 | basically a members only |
| 10 | Janus wants to make us | 10 | union, I don't think we |
| 10 | into these red states. | 11 | would lose a soul. |
| 11 | That's what they want to | 11 | Especially in corrections |
| 12 | do. | 12 | and Law Enforcement |
| | We've researched what I | | |
| 14 | | 14 | because historically we |
| 15 | think is a way of out of | 15 | have management that's |
| 16 | this, and it's called a | 16 | very, very tyrannical when |
| 17 | there's a study out of the | 17 | it comes to discipline. |
| 18 | Mackinac Center in | 18 | I don't think anybody |
| 19 | Minnesota. It's called a | 19 | wants to be out there |
| 20 | Members Choice. So | 20 | without representation. I |
| 21 | essentially we'd still | 21 | mean, NYSCOPBA, look at |
| 22 | have exclusivity, which is | 22 | NYSCOPBA, okay, you get |
| 23 | described in Article 5 of | 23 | called down for, if the |
| 24 | the contract. We would be | 24 | ball makes a funny bounce, |
| | 82 | | 84 |
| | | I | |

| 1 | use of force, you get | 1 | Benefits, I forget what | |
|----|----------------------------|--------------|----------------------------|----|
| 2 | called down to Albany, you | 2 | the exact statistics, but | |
| 3 | get a lawyer. The State | 3 | you're more likely to have | |
| 4 | wants to NOD you, you get | 4 | employer sponsored | |
| 5 | NOD, the State wants to go | 5 | benefits like health | |
| 6 | all the way to the wall, | 6 | insurance if you belong to | |
| 7 | you go to arbitration, you | 7 | a union. You're more | |
| 8 | get a lawyer. While | 8 | likely to have defined | |
| 9 | you're suspended, you get | 9 | benefit pension, which is | |
| 10 | a good welfare check | 10 | another dinosaur, no one | |
| 11 | I'm sorry, not welfare, | 11 | has defined benefit | |
| 12 | I'm dating myself, Rainy | 12 | pension for their people; | |
| 13 | Day Fund. | 13 | we do. | |
| 14 | You can go to any union | 14 | I previously mentioned | |
| 15 | in the country, you're not | 15 | discipline. That's why | |
| 16 | going to see that. It's | 16 | you have a union. When | |
| 17 | just not out there. This | 17 | you're in trouble, your | |
| 18 | is quite frankly, | 18 | only friend in that room | |
| 19 | NYSCOPBA is the utopia of | 19 | at an arbitration or Q and | |
| 20 | unions. The benefits they | 20 | A, the only friend our guy | |
| 21 | provide and the attorney | 21 | got is us. That's it. | |
| 22 | representation, it's | 22 | I think I pretty much | |
| 23 | second to none. | 23 | explained it to you. I | |
| 24 | But you guys are going | 24 | mean, Janus is going to | |
| | 85 | | | 87 |
| 1 | to inherit this. I mean, | 1 | happen. The fifth vote is | |
| 2 | I spoke about the crisis | 2 | Neil Gorsuch, he is the | |
| 3 | of the dues check-off in | 3 | recent Supreme Court | |
| 4 | 1986. Two guys I know | 4 | Justice that now sits on | |
| 5 | were around then, Larry | 5 | the court. There's no | |
| б | Flanagan who was a Council | 6 | doubt he is going to rule. | |
| 7 | 82 rep and Al Mothershed. | 7 | Friedrichs' was a four | |
| 8 | They remember. This is | 8 | four tie and went by the | |
