

What Does NYSCOPBA Do For You?

Negotiations

You are employed in one of the most dangerous jobs in New York State. We recognize the stress associated with the position you hold. NYSCOPBA will always advocate on your behalf to get you the best possible wages and benefits that reflect the difficult and dangerous job you carry out. The Collective Bargaining Committee has remained committed to working with the state's negotiating team to address the contract concerns of the membership. You also have direct access to your law firm who works on your behalf in contract negotiations, grievances, notices of discipline and Q & As.
