# MOTION SHEET

Motion:

Following motion is a mandate from the Members of Sing Sing Sector

That NYSCOPBA move into the Impasse Process. That The Union advise PERB that the requirement for Impasse have been met by the Union.

Wisdom of the Motion:

The Governor has proven that he is not willing or capable of bargaining in good faith. He attempted to bastardize our Collective Bargaining process with the 30 day Budget amendment. This amendment would have eviscerated our disciplinary process.

It is apparent that the only financial gain our members will receive will come through Arbitration. Articles such as: changes in the 100 day rule, years to job rate, equal Longevity and location pay, already afforded to other Law Enforcement Agencies.
